Ref. 59

GENERAL AFFIDAVIT

State of Indiana
County of Indiana

In 2006, the State of Indiana conducted five (5) sampling events for the Lusher Street Ground Water Contamination. The first sampling event was conducted during June 13 and 14, 2006, the second on August 16, 2006, the third on September 12, 2006, the fourth during December 5, 6, and 7, 2006, and the fifth on December 13, 2006. The first and second sampling events were funded by the state monies. The third, fourth, and fifth were federally funded.
